Carriers can also go online to use PostalEASE. With PostalEASE, carriers can contribute directly from their paychecks every pay period. Through PostalEASE you can designate COLCPE as one of your two payroll "allotments."

By making a COLCPE allotment through PostalEASE, you are doing so voluntarily with the understanding that your contribution is not a condition of membership in the National Association of Letter Carriers or employment by the Postal Service nor a part of union dues and that COLCPE will use the money it receives to contribute to candidates for federal office as permitted by law. You are also making this allotment with the understanding that COLCPE contributions are not tax deductible and that your selection shall remain in full force and effect until canceled through the PostalEASE system.
